**New Schedule Became Effective the  
of June**

A large section of the Western Division of the Central Maine Power Company will benefit from the new rate schedule last week to become effective June 1st. This revision will result in a reduction of about 12 per cent in the production and transmission charges for customers who use in the western section a savings of approximately \$2500 annually.

The new schedule is in line with the Company's policy to standardize rates over its entire territory and follows similar revisions recently made in its Northern, Eastern and Southern Divisions.

The communities to benefit from this latest revision include towns in the Eastern Western Maine Division. These recently passed by the Central Maine Power Company and which now are permitted to enjoy the economies that accrue to a larger and interconnected electric system.

These communities include, in part, Bethel, Bridgton, Casco, Bangor, Fryeburg, Greenwood, Harristown, Hiram, Limerick, Linnville, Lovell, Mechanic Falls, Minerva, Newry, Norway, Bangor, Norway, Newry, Oxford, Paris, Poland, Raymond, Sebago, Standish and Woodstock.

**Result of Several Years' Study**

Following a study and survey of its territory with a view toward having a standard rate for all communities and making rate reductions as they as they warranted, the Central Maine Power Company system is made up of 70 odd small communities all having different rate schedules. The new schedule rates in its locality plus a fair return on the money invested to give service.

**Uses Electric Energy Efficiently**

Since the use of electricity has increased the use of electricity has come from the home and this condition has influenced as much as any change in residential electric service.

The use of labor saving electric appliances in the home, such as the electric cleaner, toaster, washer, iron, refrigerator, range, etc., the use of electric lighting, has increased the demand.

These conditions have increased the use of electricity to a point where a "little more" rate schedule is necessary to meet the residential customer. That is, a lower rate per kilowatt hour as increasing amounts of electricity are used.

lower rate he gets.

If for instance you own a six room house and your service bill has run around \$39.00 to \$40.00 a month under the new rate you can stand to save around \$1.00 a month on the new rate. The average six room house as an average he is estimating the average use of electricity at 100 kilowatt hours a month. If you will save under the new rate management:

OLD RATE	
You get 30 Kw/h at 10¢	\$3.00
Your bill is \$3.00	

NEW RATE	
You get 24 Kw/h at 10¢	\$2.40
You get 6 Kw/h at 7¢	.42
Your new bill is \$2.82	
Saving \$.18.	

Suppose the consumption is larger than 100 kilowatt hours a month. Here's how you will fare when your bill comes:

OLD RATE	
You get 30 Kw/h at 10¢	\$3.00
You get 30 Kw/h at 7¢	2.10

Get 40 kWh at \$1.00  
Your bill is \$4.00  
Get 24 kWh at 16¢  
Your bill is \$3.84  
Get 16 kWh at 16¢  
Your bill is \$2.56  
Get 8 kWh at 16¢  
Your bill is \$1.28  
Your new bill is \$1.28  
Saving \$2.72

**Based Upon Number of Rooms**  
The new schedule as it applies to a two-bedroom house is shown in the table. The number of principal rooms in a home, affording the most economical installation equal advantages will be the larger installation and giving the class of customer the same opportunity to obtain the same equipment in a lower rate. The new room rate has proved to be especially popular among residential customers. Many New England cities and towns have adopted the room rate as a means of giving their customers the opportunity to buy the same equipment in a lower rate. The new "room rate" system has resulted in a lower cost per kilowatt-hour as the quantity consumed increases. Under the new "room rate" system the considerable burden is lifted from the shoulders of the small household to the shoulders of the large household dweller.

In order that customers may know the basis upon which the size of their home is to be judged, the Company has placed a list of classification in which appears "active" rooms and rooms counted. The room count will be based upon all rooms used for living purposes including the room count, closets, unenclosed porches, porches (not enclosed), sheds, etc., but not including the following: closets, garages, hallways, laundrys, porches, porches (not enclosed), sheds, etc. will not be counted. The minimum count is three rooms and the maximum eight.

The present method of standardization of rates will give greater reductions to some communities than in others.

## Boosting Maine

All Counties In State Represented In Raising Funds to Advertise the State of Maine

With every county in the state now represented by some contributing community, the total to date in the Cities and Towns campaign to increase the state's advertising fund has reached \$10,223, according to an announcement made today by Vice O. Isola, Executive Secretary of the Maine Development Commission.

Almost coincident with this announcement, Mr. Isola is broadcasting a request that each contributing community supply the Commission with a sketch descriptive of its attractions and its location with reference to automobiles. The Commission planned originally to publish a service pamphlet listing the communities which contributed to the 1928 advertising fund. It now intends to give each contributor a booklet containing a brief description of each city, town and plantation on the advertising honor list. In the compilation now being sent out, it is requested that sketches of not more than 250 words each be in the hands of the Commission by May 15.

Androscoggin county, under Hiram W. Ricker, Sr., maintains its place at the head of the state list with a total of \$1,210. Franklin County holds its position as second highest contributor with \$1,080, and Hancock is third with \$1,035. Cumberland has ousted Penobscot for fourth place with a total of \$1,000.

Other counties in order of standing are Penobscot, \$900; Oxford, \$845; Somerset, \$715; Knox, \$708; Arrowsmith, \$638; Kennebec, \$530; Sagadahoc, \$400; Washington, \$385; Piscataquis, \$380; York and Lincoln, \$275 each, and Waldo, \$20. Auburn, Bangor and Bar Harbor hold first place among the cities with contributions of \$200 each. Bath, Camden, Poland, Rangeley and Rockland are in second place with \$200. Rumford and Skowhegan are third with \$250, and Ellsworth, Farmington, Freeport, Norway, Scarborough, Kittery and Standish are in fourth place at \$200 each.

Other communities and their contributions are: \$150—East Livermore, Wilton, Madison, \$100—Weber, Mechanic Falls, Houlton, Presque Isle, Cumberland, Searsville, Deser, Belgrade, Oakland, Wintthrop, Mexico, Orono, Fairbairn, Presque Isle, Presque Isle, Eastport, South Bristol, Cape Elizabeth, Kennebunk, and Greenville.

## SOUTH WATERFORD

Collins Visit in Skowhegan—Several attended Friends' Supper—Meeting of Community Club—Council Meeting Held—Salmon Caught.

Mr. and Mrs. Ben Collins and children Anita and Billy, spent the week end at their old home in Skowhegan, Me.

Mr. and Mrs. Frank Parker of Cumberland Mills took dinner with Mrs. Watson and Mrs. Roberts on Wednesday. It was Mr. Parker's regular trip and his usual weather.

Mrs. Myrtle York and daughter, Mrs. Hazel Learned, and Gloria, spent the week end in Lewiston with Mrs. York's mother, Mrs. Brown.

Dorothy Holden, who has been ill with the grippe and out of school, for the week, is much better.

Many from the village attended the Friends' Supper and Dance on Wednesday evening at Harrison. All reported a fine supper and general good time, except the going and coming over the bad roads.

Thursday, the Community Club met at the home of Mrs. A. A. Monroe. Mrs. Bell was unable to get off Blackguard because of the bad roads. It was so rainy only five were present, and no sewing to work on, so cards were enjoyed for the afternoon.

Regular Grange Meeting comes on Saturday, June 2nd. Program committee: Benish Holden, Ida Riggs, Lewis Pike, Raymond Saunders, Albert W. Hamlin, Jennie Plummer and Will Jordan.

Friday evening came the Oxford United Parish Council Meeting at Masonic Hall at 8 P. M. Those attending from here found the meeting very interesting. A fine supper was served by the Circle in the lower hall. In the evening Rev. and Mrs. Raymond Morgan of Norway, Congregational Church, made remarks.

Rev. Hilda Ives of Portland, was present and she is always an inspiration to all. Following the speakers, Mr. Townsend gave a stereoscopic lecture on "Church Architecture." Beautiful churches of all types and ages were shown. It was very enjoyable.

Sunday, Mr. Townsend preached a fine sermon on "Friendship" to the Knights of Pythias and the Pythian Sisters in a body. It was quite a large congregation. Fifty were present at Sunday School. The children from East Waterford came for the first time this spring, which helped to swell the number.

Most of us are beginning to long for the face of Old Sol. This weather is good for grass and transplanting but many other kinds of work have been at a stand still for days.

Saturday Church School was well attended in spite of the down-pour. We had visitors for the afternoon, Mrs. Wentworth and Mrs. Rowe with baby, Dorothy, spent the session with us.

Mrs. Laura Shaw is recovering from a recent bad spell. Mrs. Greene was with her while sick. She is on the gain now.

Mr. and Mrs. George Engough with her niece and husband, Mr. and Mrs. Frank Crockett, of Gorham, N. H., spent the week end in Lewiston and Lisbon Falls with relatives. Mr. Haggood and Mr. Crockett, came back Sunday night.

The ladies will stay to visit for the week. Mrs. Alfretha Abbott has spent the last week with her daughter, Mrs. Ida A. Holden. It was very nice for Dorothy to have her there during her illness.

Leon York caught two nice salmon from Bear Pond on Monday, while he and Arthur Kingman were fishing. Leon was the lucky one this time.

Gertrude Adams who has worked for John Muller so long, left a week ago and went home. John is alone while his mother is away.

Annie Braulty is better and able to be out again.

Schools are busy rehearsing for the Flag Day program that comes the first week in June.

Mrs. A. A. Monroe and daughter, Ethel, were in Sandy Creek, Sunday, to see Mrs. Monroe's sister, Mrs. Clara Allen. She is all alone.

Miss Henrietta Moore arrived in town on Monday. Miss Frank Russell of Winchester, Mass., came with Miss Moore and will visit Mr. and Mrs. Irving Bell Blackguard. Wish it had been possible for Mrs. Wolfe to come at this time.

Carroll Sanborn has recovered from his attack of the grippe and the first of the week he caught a large salmon.

## KEZAR FALLS

Quarterly Meeting and Centennial Held

The great event of the twenty-sixth and twenty-seventh days of the month of May in this particular part of the world was the Quarterly Meeting and Centennial held at the Old Meeting House at Porter Center. When this sacred edifice was new, it was in the year 1821, it was a landmark, a beacon light, summoning the people to worship in the House of the Lord. Built by toilers of the soil, who have without stint of their strength, muscle and personality, endeavoring they labored with love, faith and hope, with due reverence to the One above, whom they claimed in their petitions as "Our Father who art in Heaven." The founders of the new building were largely of the Baptist faith, but like the poet Longfellow, who looked upon all denominations as safe paths to the same goal, welcomed their attendance. The Methodists of Kezar Falls, for instance, who were without a church for many years, were allowed the use of the building and their descendants remember to this day, the open door.

The meeting house stands for many decades, linking past and present in the ties of friendship.

All roads last Sunday led to the Old Porter Meeting House, which was the scene of the quarterly meeting and the Centennial services of the Centennial were brought to a successful issue with the following program:
